Getting Your FREE Bonus Download this book, read it to the end and see BONUS: Your FREE Gift chapter after the conclusion. Edible Wild Plants: (FREE Bonus Included) Top 25 Summer Plants You Can Find In The Forest: Identify, Harvest, And Prepare We live in a world that is full of technology, and it seems that technology is expanding every day. With each passing year, food is more available to us than it ever has been before. Now, you don't even have to do anything but give a command to a smart device and you can have pizza delivered right to your doorstep. In this world of ever growing convenience, it is easy to think that nothing could ever happen. If you want anything all you have to do is pick up the phone or your tablet and you can have it delivered right to your house without you having to even go outside. But, there is something to be said for those who are able to sustain themselves. Those few people who continue to hold to the knowledge of how to do things, those people who make a point of knowing how to do the old fashioned things that so many others are forgetting. Such as those who are masters of foraging. Wouldn't it be nice to be able to go out into the woods and know what foods you can eat? Wouldn't it be nice to know how to harvest and prepare them? That's where this book comes in. In it, you are going to learn everything you need to know about identifying, harvesting, and preparing your own foraged foods. Come with me on this...
