Fall exemplifies rethinking and self-improvement, featuring ways to reflect on what you have learned and how you can grow as a person both spiritually and intellectually. Winter focuses on hibernation and finding quiet peace. As in the natural world, taking a break and finding peace is important to happiness and calm. Awake in the Wild features the magical, fairy-tale-like illustrations of Romanian artist Madalina Andronic. These beautiful and charming visuals facilitate meditation, allowing you to deepen your connection with nature.
