Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How Much I Loved Thee! A Drama Should any of the real actors in this drama of love and sorrow be still alive, as is not improbable in view of the brief twenty years, or thereabout, which have elapsed since the period of the occurrences detailed in the verse which follows (and as I have on other grounds good reason to suppose) and should they recognize themselves under the thin veil of their altered names, they will, I am sure, pardon the liberty which the author has taken to preserve, in so inadequate a fashion, some memory of the sad episode in the general history of the late war, of which they formed a part. If any such are yet living, and had before been unaware of it, they may not be surprised to learn, though far from the scene at present, that the stately mansion where most of these events took place is now believed by half its neighborhood (and especially by the colored race) to be veritably haunted. No action of its present owners, on whose hands it now lies, rather unprofitable property, has so far been able to dispel this belief. It would give me much satisfaction if I could learn from any reliable source the real nationality of the man Ricardo, since at the time in which he figures here no one was able to determine it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections...
