SENATOR WHO? (HARDBACK)

Xlibris, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Politician, that is the beginning of what can be a bad word that starts with a P . The word that is broken with no repair in sight. What does it take to become a senator in the United States Of America? Most people will tell you it takes A LOT of money. Why should it take so much money to become a public servant? The answer is easy to say, but hard to digest. Everyday something new. Every day something fun. Did you ever say or hear someone say, I should write a...
