THE MECHANICAL FEATURE: 100 YEARS OF ENGINEERING AT MISSISSIPPI STATE UNIVERSITY (PAPERBACK)

University Press of Mississippi, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Mississippi Agricultural and Mechanical College, now Mississippi State University, was founded in 1878, it was lacking what President Stephen D. Lee called the mechanical feature. Devoted entirely to offering coursework in general education and agriculture, the college was not able to provide students with courses in technical subjects until 1891, when the curriculum began to include courses in...

Reviews

Thorough information for pdf fans. It really is rally interesting through looking at time. I am easily will get a satisfaction of studying a published pdf.

-- **Autumn Bahringer**

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
