Birlinn General, United Kingdom, 2016. Paperback. Book Condition: New. New edition. 198 x 129 mm. Language: English . Brand New Book. Sixty Degrees North is a story that we tell, both to ourselves and to others. It is a story about where - and perhaps also who - we are. The sixtieth parallel marks a kind of borderland. It wraps itself around the lower reaches of Finland, Sweden and Norway; it crosses the tip of Greenland and of South-central Alaska; it cuts the great spaces of Russia and Canada in half. The parallel also passes through Shetland, at the very top of the British Isles. In Sixty Degrees North, Malachy Tallack explores the places that share this latitude, beginning and ending in Shetland, where he has spent most of his life. The book focuses on the landscapes and natural environments of the parallel, and the way that people have interacted with those landscapes. It explores themes of wildness and community, of isolation and engagement, of exile and memory. In addition, Sixty Degrees North is also a deeply personal book, which begins with the author's loss of his father and his troubled relationship with Shetland. Informed by the journeys described, it moves towards a kind of resolution: an acceptance of loss, and ultimately a love of the place Tallack calls home .
