

## The Son

By Nesbo, Jo.

Knopf. 1 Cloth(s), 2014. hard. Book Condition: New. Stepping outside of his internationally celebrated mystery series starring Norwegian detective Harry Hole, Jo Nesbø here gives us an electrifying stand-alone novel about a particularly venal maze of high-level corruption in Oslo. Sonny Lofthus has been in prison for a dozen yearsnearly half his life. Complacent and strangely charismatic, he provides an uncanny effect of absolution for his fellow inmates. They don't know or do they care that Sonny has a serious heroin habit, or who supplies it. Or that he's serving time for other peoples' crimes. His addiction began after his father killed himself rather than face exposure as a corrupt cop, and Sonny now resides at the center of a web of conspiracy; police, prison staff, lawyers, and a desperate priest are all determined to keep him high and in jail. But Sonny has learned a stunning secret concerning his father. He engineers a brilliant escape from his cell and from his own personal prison and begins hunting down those responsible for the crimes against him. "A deftly plotted novel that probes the deepest mysteries: sin, redemption, love, evil, the human condition. One of Nesbø's best, deepest and richest novels." Kirkus Reviews (starred review) "The standard bearer..."

### Reviews

*It is simple in read through safer to comprehend. This is for anyone who statte that there was not a really worth reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Samanta Klein**

*Very useful to any or all group of men and women. I am quite late in start reading this one, but better then never. You are going to like just how the blogger publish this book.*
