Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Become a serious investor, on a rational and informed basis. I don t shout. I am not promising miracles. I am offering you a serious path, made of clear information, constraint and emotional self control, to become a serious investor, on a rational and informed basis. The right mindset is the key. Within financial environments, there is a lot of fluff an investor can run into but, when you come to markets, there are quite few serious options that you are able to try out. You can choose to work your own business, get into the stock market, place your money in a retirement fund, or many other options. But one of the best options to use, if you are willing to give it the time it deserves, that can give you a great return on investment in a short amount of time is day trading. By picking this guidebook you are going to begin a path to become an aware and informed investor, looking at day trading and what it takes to get started and earn an income, even as a beginner. Moreover, I would like to show you how and why to avoid the common mistakes and to avoid the fluff and scams that are polluting financial environments, disseminating easy illusions and disappointments among beginning investors. Nevertheless, making money with day trading is a serious issue, on condition that your approach is informed and rational. Inside we will learn everything we need to know about day trading include: - Some of the basics of day trading - The right mindset to approach the markets - The rules to follow in day trading - How to do a technical...
