Now with this book, you have a definitive go to resource - the bottom line on success, presented in an easy to understand summary. The good news is that in many cases, things are not as bad as you might think. The bad news is that for a few future trends, things are worse than you ever imaged. Don t despair it is not time to surrender, you can exploit some niche or some aspect of these dire trends - you were right when you began to feel that the complexities and overall situation for our kids is dangerously perched.
