

Microeconomics, Student Value Edition Plus Mylab Economics with Pearson Etext -- Access Card Package

By Jeffrey M Perloff

Pearson, 2017. Book. Condition: New. 8th ed.. Language: English . Brand New Book. NOTE This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(TM) and Mastering(TM) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For all Intermediate Microeconomics courses at the undergraduate or graduate level. This package includes MyLab Economics. Using microeconomics to analyze and resolve real-world policy and business problems A market-leading text, Microeconomics presents economic theory in the context of real, data-driven examples, and then develops your intuition through hallmark Solved Problems. The text places emphasis on modern theories-such as industrial organization theory, game theory, and transaction cost theory-that are useful in analyzing actual markets, while a step-by-step problem-based learning approach demonstrates how to use microeconomic theory to solve business problems and analyze...
