This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Heavenly Questions, the first new collection of poems from Gjertrud Schnackenberg since her critically acclaimed *The Throne of Labdacus*, finds her at the height of her talents and showcases her continued growth as an artist. In six long poems, Schnackenberg's rhyme-rich blank verse, with its densely packed images, shifts effortlessly between the lyric and the epic, setting passion to a verbal music that is recognizably her own. An exceptional and moving new collection from one of the most talented American poets of our time, *Heavenly Questions* is a work of intellectual, aesthetic, and technical innovation--and, more than that, a deeply compassionate and strikingly personal work.
