

Acupuncture: The Ancient Chinese Secret: An Introduction to the Practical Applications of Acupuncture, Cupping, and Moxibustion (Paperback)

By Oscar Wu

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Acupuncture is a difficult art to both practice and master. This practice incorporates thousands of years of knowledge and is thus a little convoluted and filled with strange philosophies. Jabbing hundreds of needles into someone in a generally short time span is no mean feat either. Acupuncture: The Ancient Chinese Secret eliminates much of the theory underlying acupuncture into its practical core. While doubtless this knowledge is absolutely necessary, it is not the most important aspect of acupuncture and can be quite confusing for beginners who simply desire to know what acupuncture is to comprehend. This introductory text covers the basic aspects of acupuncture quickly, covering the concepts of cun and channel theory, before extensively delving into acupoints and their myriad aspects. The book then progresses to include more than a hundred extra acupoints, diverging from the canonical forty points, so to include a broader choice of acupoints available to the practitioner. It then covers the methods of point selection, one of the most vital fundamentals of acupuncture. The methods are well-presented in a formulaic fashion rather than a wide range of choices,...
