

University Governance: Western European Comparative Perspectives (Paperback)

By -

Springer, Netherlands, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Higher education reforms have been on the agenda of Western European countries for 25 years, trying to deal with self governed professional bureaucracies politically weakened by massification when an emerging common understanding enhanced their role as major actors in knowledge based economies. While university systems are deeply embedded in national settings, the ex post rationale of still on-going reforms is surprisingly uniform and de-nationalized . They promote (1) the organizational turn of universities, to varying extent substituting collegial loosely coupled entities by integrated, goal-oriented entities deliberately choosing their own actions (and therefore open to differentiation), that can thus be held responsible for what they do (2) the diversification of stakeholders, supposedly offering solutions to problems as various as the democratisation of universities, the shrinking of State budget resources and the diversification of university missions offering answers to changes in the making and in the use of science. When it comes to accounting for these reforms, two grand narratives of public management share the floor. NPM implies a strengthening of the capacity of the core State to direct public services organizations through management by objectives...
