

## School Development Planning: A Practical Management Guide

By Corrie GILES.

Northcote House, Tavistock, 1996. Paperback. Book Condition: New. 1st Edition. 144pp Resources in Education Series.[In stock in Australia now, for immediate delivery] The Education Reform Act 1988 requires each of the 28,000 state primary and secondary schools in Britain to draw up and put into action their own School Development Plan. In this document they must define the human, financial and physical resources available to them, and show how these resources will be used to attain specified goals within a specified timescale. Written by a specialist at the forefront of education management School Development Plans is a step-by-step manual to help every head teacher and governor understand and master this new procedure which will be so important for the future success of their school in today's deregulated environment. Contents: Drawing up the school's mission statement; how to carry out the school audit; planning for the school's development; turning plans into action; taking stock and reporting progress; overview case study; suggested management exercises.
