The Harmonica Play-Along Series will help you play your favorite songs quickly and easily. Just follow the notation, listen to the CD to hear how the harmonica should sound, and then play along using the separate backing tracks. The audio CD is playable on any CD player, and also enhanced so PC and Mac users can adjust the recording to any tempo without changing pitch! To my ear, Will Galison is the most original and individual of the new generation of harmonica players. Toots Thielemans.
