

Learn Japanese Through Dialogues: Beginning Conversations (Paperback)

By Clay Boutwell

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Finally, a fun and easy way to learn REAL conversational Japanese! (And get FREE MP3s of all the dialogues too!) Learn Japanese vocabulary in context, improve your listening comprehension, and learn how to talk to others in Japanese. This was written for beginners of Japanese. We are including, at no extra charge, MP3s for the seven dialogues found in this book. Create play-lists to study on the go or burn the sound files to a CD to listen at home. The download link is found on the last page. The dialogues found in this book are all about context and how Japanese is actually used while at a restaurant. The MP3s are all recorded by native voice actors and actresses. The dialogues found in this book are all about context and how Japanese is actually used with friends casually and when peppered with politeness among new acquaintances. While you do not have to know hiragana before using this ebook (romaji is provided), we highly recommend it. If you do not yet know hiragana, please check out our Hiragana, the Basics of...
