

## The Way of the Heathen: Practicing Atheism in Everyday Life

By Greta Christina

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. So you re an atheist. Now what? The way we deal with life - with love and sex, pleasure and death, reality and making stuff up - can change dramatically when we stop believing in gods, souls, and afterlives. When we leave religion - or if we never had it in the first place - where do we go? With her unique blend of compassion and humor, thoughtfulness and snark, Greta Christina most emphatically does not propose a single path to a good atheist life. She offers questions to think about, ideas that may be useful, and encouragement to choose your own way. She addresses complex issues in an accessible, down-to-earth style, including: Why we re here, sexual transcendence, how humanism helps with depression - except when it doesn t - stealing stuff from religion, and much more. Aimed at new and not-so-new atheists, questioning and curious believers, Christina shines a warm, fresh light on the only life we have.
