## NEPTUNE S BROOD: A SPACE OPERA (PAPERBACK)

Ace Books, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book. The year is AD 7000. The human species is nearly extinct--for the fourth time--due to its fragile nature. Krina Alizond-114 is metahuman, descended from the robots that once served humanity. She s on a journey to the water world of Shin-Tethys to find her sister Ana. But her trip is interrupted when pirates capture her ship. Their leader, the enigmatic Count Rudi, believes that there s more to Krina s search than meets the eye. He s correct: Krina and Ana each possess half of the fabled Atlantis Carnet, a lost financial instrument of unbelievable value--capable of bringing down entire civilizations. Krina doesn t know that Count Rudi suspects her motives, so she accepts his offer to get her to Shin-Tethys in exchange for an introduction to Ana. And what neither of them suspects is that a ruthless body-double assassin has stalked Krina across the galaxy, ready to take the carnet once it is whole--and leave no witnesses alive to tell the tale.
