Not illustrated. 1892 Excerpt: . . . all grades from private to major-general, to the Union armies of 1861-65. With the rapid increase of urban population, the growing taste for outdoor and athletic sports, and the manifest advantages of club association, these volunteer organizations increased in numbers and in popularity. At the same time, however, there grew up a tendency to make the organi arms, and equipment of the United States army were adopted as far as possible; rifle-practice was rigidly required; additional armories were built for drill in winter, and camps of instruction were provided for field exercises in summer; the military codes in all the States were thoroughly revised and made as nearly uniform as possible; the courts martial were recognized by the laws of the State and as firmly established in their limited jurisdiction as any other courts, and the civil power of the sheriff and the marshal was invoked...

Reviews

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Christelle Stark III

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

-- Eileen Kling I
