Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The overwhelming fearing the world is the number one factor in preventing the church from displaying the full glory of God. Believers hold back because of intimidation, rejection, ridicule and physical persecution. However, God is looking for those believers who trust in the power of the inner kingdom within them. This kingdom is the source of unconquerable power. Nothing in the world, above the world or below the world can overcome it. The book *Losing Fear of A Dangerous World* reveals the nature of this inner power that God has invested in every believer. Being privileged with such power, each believer must take dominion of his or her world in order to establish God's kingdom around them. *Conquering Fear in a Dangerous World* empowers readers to stand up and face any battle with the knowledge that it has already been won. If believers internalize the divine knowledge offered in this book, they will be equipped to go forward and create peace in homes, neighborhoods and communities and nations across the world without fear of hurt, harm or danger. The threats and intimidation that come their way will vanish as an illusion. They will walk in the invincibility of God-Power. No man, condition or circumstance will be able to defeat their mission. *Losing the Fear of A Dangerous World* is a dynamic and radical message for readers who believe that with God all things are possible.
