GREAT DEPRESSION COOKING: COOKING THE POORMAN MEALS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you ask people what their biggest budget busters are, many often will say their food spending is an issue. In fact, many Americans literally eat through their income, knowingly spending more than they should on dining out. These wonderful frugal recipes were carefully selected for the poor man or the budget conscious cook. I know that with your busy schedule, it can be impossible to make it to the grocery store. All of these recipes are here because we believe that they can be made out of whatever is in your pantry, cabinets, or freezer. Show you family that meals on a budget can be delicious with these fine frugal recipes. Fortunately, there are a ton of tasty, inexpensive meals you can make at home with very few ingredients and not much time. I will share with you some of the best recipes in this book, along with a few more ideas to help you and your family eat well for next to nothing. Most recipes are great for Vegetarians and Vegans. Swapping a lunch or dinner out with one of these cheap meals just once or twice per week is an easy way to lower your food expenses. A note on prices: As inexpensive as these meals are, in reality, they re probably even more inexpensive than what you see here. I averaged prices I found wherever possible which are likely higher than what you ll pay at your local grocery store; they re certainly higher than if you buy generic, buy non-perishables in bulk, grow produce in your garden, or use your grocery store flyer to plan your meals. Poor people often work from morning to night piecing-meals together...
