CHICKAMAUGA. DEGREES DEGREESNE sunny autumn afternoon a child strayed away from its rude home in a small field and entered a forest unobserved. It was happy in a new sense of freedom from control--happy in the opportunity of exploration and adventure; for this child's spirit, in bodies of its ancestors, had for many thousands of years been trained to memorable feats of discovery and conquest--victories in battles whose critical moments were centuries, whose victors' camps were cities of hewn stone. From the cradle of its race it had conquered its way through two continents, and, passing a great sea, had penetrated a third, there to be born to war and dominance as a heritage. The child was a boy, aged about six years, the son of a poor planter. In his younger manhood the father had been a soldier, had fought against...

### Reviews

*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
