Weaknesses in ANSF Evaluation Tools Yielded Inconsistent Assessment Results According to ANSF mentors partners, the CE checklist has weaknesses that have resulted in uncertainty among assessors and inconsistent assessment results. Mentors and partners stated that they often did not have a clear understanding of what was intended by each CE assessment question and were concerned that this may have affected assessment results. They also noted that high levels of non-response within the assessment tool did not prevent the generation of a CM rating level and were not noted in summary reports. On November 30, 2009, IJC ordered all army and police mentors and partners to use the same assessment evaluation form: CE checklist version 5. 15. Before that date, ANA mentors partners used a less structured system of reporting, including more subjective narrative assessments. Even though the CE checklist, which was originally designe. . .
