Many believers are given responsibility to lead but fail to sustain their leadership. Developing the people who lead is essential to building strong churches and demonstrating the kingdom message to those who do not know Christ. The nonpublic lifestyle of a leader is what vitally supports the public expression of his or her grace. Jesus said, Follow me . and I will make . you fishers of men. Those three simple phrases are the essence of Rick Johnston s Next Level Leadership Training. Johnston provides a syllabus for training such leaders. Bible-saturated lessons are the foundation of teaching. Classroom interaction tips, external resource suggestions, and life-implementation steps, given at the end of each lesson, provide the opportunity to increase in grace. Theological foundations, relationship-building assignments, and miracle demonstrations-defined in this text-provide a wide-ranging training course for every local church.
