MESSED UP IN MISSOULA (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A drug deal gone bad. A partner he can't trust. And murders he can't explain. Thomas Catlin's job as a detective in Missoula, Montana, seems to be going from bad to worse. Teamed with lowlife detective William Jones, a guy he hardly knows and barely tolerates, everything goes to hell when a drug bust Jones set up goes bad. And as blackmail ratchets up the intensity, Catlin's inner battle is a classic noir detective fiction at its finest, a probing look at the evil men-and women-do and the toll it takes on the souls of those dedicated to...
