

Iphigenia at Aulis (Paperback)

By Euripides

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Euripides is known in literature circles as a Greek tragedian of classical Athens. Euripides is one of the few whose dramas plays have survived. Ancient medieval scholars have attributed 95 dramas plays to Euripides, of which 19 are known to have survived more or less complete. Euripides is identified with theatrical innovations that have profoundly influenced drama plays down to modern times. He was unique among the writers of ancient medieval Athens for the sympathy he demonstrated towards all victims of society, including women. Iphigenia in Aulis is a Greek drama play that revolves around Agamemnon, the leader of the Greek coalition before and during the Trojan War, and his decision to sacrifice his daughter, Iphigenia, to appease the goddess Artemis and allow his troops to set sail to preserve their honor in battle against Troy. Iphigenia in Aulis is a Greek tragedy by Euripides that was posthumously produced with extensive interpolations.
