Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A collection of poems and lyrics, from the many different seasons of a person s life. Translated from heart to text, with a wish to share some hope to those who might be feeling alone, as I once had. For anyone looking for a song of hope, of determination, of disillusionment, or sorrow, with hope longsuffering- I hope you all find what you re looking for in these pages. A little disclaimer: The majority of this was written during a difficult transition in my life, and some may take offense at some of the content. I only ask that those of you, know, that these words were simply emotions too heavy to carry in my heart. Know that, where I am today, is a place of love, where all the past hurts have been left at the side of the road. I m sorry if I hurt anyone, but I couldn t keep it all in.
