Their powerful skills of adaptation and their plight, such as the widespread colony collapse facing honeybees, have brought them to the forefront of collective consciousness, as every being on Earth faces a time of incredible transformation. The archetypal energies of these sacred Wisdomkeepers can guide us through this evolutionary time with new pathways of shamanic healing and transformation to realise the highest potential of humanity. Exploring the insect and arachnid archetypes of the Sacred Instar Medicine Wheel, authors Linda Star Wolf and Anna Cariad-Barrett reveal the consciousness-activating patterns in the pollen flight of Honeybee,...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever. -- Mrs. Ellie Yost II

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me). -- Scottie Schroeder DDS
