

## Truth v. Justice: The Morality of Truth Commissions

By -

Princeton University Press, United States, 2000. Paperback. Book Condition: New. New.. 241 x 163 mm. Language: English . Brand New Book. The truth commission is an increasingly common fixture of newly democratic states with repressive or strife-ridden pasts. From South Africa to Haiti, truth commissions are at work with varying degrees of support and success. To many, they are the best--or only--way to achieve a full accounting of crimes committed against fellow citizens and to prevent future conflict. Others question whether a restorative justice that sets the guilty free, that cleanses society by words alone, can deter future abuses and allow victims and their families to heal. Here, leading philosophers, lawyers, social scientists, and activists representing several perspectives look at the process of truth commissioning in general and in post-apartheid South Africa. They ask whether the truth commission, as a method of seeking justice after conflict, is fair, moral, and effective in bringing about reconciliation. The authors weigh the virtues and failings of truth commissions, especially the South African Truth and Reconciliation Commission, in their attempt to provide restorative rather than retributive justice. They examine, among other issues, the use of reparations as social policy and the granting of amnesty...
