Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

But when a popular quilting TV show is taped at the quilt shop, Ivy's unwitting appearance in an on-air promo alerts her ex-husband to her whereabouts. Suddenly, Ivy is facing the fight of her life--one that forces her to face her deepest fears as a woman and a mother. This time, however, she's got a sisterhood behind her: companions as complex, strong, and lasting as the quilts they stitch. . . .
