Moody Press,U.S., United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The woman was not taken from the man s head to be over him, nor from his feet to be walked on by him, but from his side to be his closest companion, from under his arm to be protected by him, and near his heart to be loved by him - an old Jewish saying Just like the rib cage protects the hearts vital organs, the woman was created by God to protect, encourage, and love her husband, her God-given rib. In When a Woman Loves a Man, pastor James Ford explains the significance of God taking the woman out of the man s side and placing her in a position to walk alongside of him as his helpmate, lover, and emotional protector. This book is written for women who are either engaged or married and who want to know how to Biblically and practically express love to her man the way God intended.
