Kima Global Publishers, South Africa, South Africa, 2002. Paperback. Condition: New. Language: N/A. Brand New Book. The last Presidential Election in America and its results are a perfect reflection of what we face within ourselves as we live through an unconscious sea change in our bodies, hearts, mind and spirit This book examines that political spectacle as a mirror of who we are, where we have been and where we are, perhaps, reluctant to go. It is a book of self-knowledge and a courageous attempt to speak and face the simple truth. It also contains information about a powerful alternative healing technique called DNA Activation. ARCHETYPES, ELECTION, EVOLUTION brings more light into our awareness of our direction, our choices, our possibilities and our selves. It delivers an important message to the world and says in such a perfect way something that is so profound.
