Balboa Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Soul whispers are what we feel while gazing at the night sky, or watching clouds merge and transform on a sunny day. They are that subtle sense that we are connected to the bird bathing in a stream, and to the wind moving leaves on a tree. The soul whispers to us that we are connected to the person sitting at the next table in a restaurant, and to the hungry child on the television screen. The feeling of awe when we watch the full moon rise and the stars brighten is our soul reminding us that we are part of the vastness. The whispers tell us that we all have the Divine spark within us that longs to be reunited in the Light. The words in this collection may be healing, calming, or thought-provoking, you choose. They may spark something deep inside that brings pen to hand, prompting you to write your own soul s whispers, or they may simply encourage a few minutes of peace. Find stillness and let your soul renew your spirit with its whispers.
