Everything is wrong and Bat is the only person who remembers how things used to be, when they were right. But it s not just a memory. Bat can see that other life. Bat is caught in a dual reality and most everyone-in both realities-thinks he s going crazy. But Bat is convinced that only one of the realities is the way things are supposed to be, so he sets out to find out what split reality and do whatever he has to do to make it right. Even if it means teaming up with Garison Fitch. No, not the Garison who lives in Colorado. The one who lived and died in the 1700s. Bat has to get to that Garison to straighten everything out.
