

A Brief History of the Holy Grail: The Legendary Quest

Filesize: 3.38 MB

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, A Brief History of the Holy Grail: The Legendary Quest, Giles Morgan, A Brief History of the Holy Grail charts the origins of the grail story from early Christian gospels through to eastern mysticism and the rise of medieval romances and Arthurian legends. The grail reappears once more in the story of the Crusades and in particular the rise and dramatic fall of the Knight Templars, who it is said were the guardians of the cup, newly discovered in Jerusalem. The myths have been more powerful than the facts and the allure of the Grail has attracted the attention of modern writers and artists in search of an ancient symbol of purity: psychologist Carl Jung, composer Richard Wagner, poets William Blake, and T S Eliot, the Pre-Raphaelite painters have all been seduced by the legend. Today the grail quest can be found in films such as Lord of the Rings, Star Wars, Indiana Jones, and Excalibur, as well as Dan Brown's Da Vinci Code.
