Mittal Publications, New Delhi, 1995. N.A. Book Condition: New. X+293pp International relations in modern times is a vast, independent interdisciplinary and critically investigative field of study. Subjects covered by International Relations are bewilderingly diverse, and ideas will remain tardy and inadequately expressed in an author, however extensive his studies or knowledge may be, undertakes to deal with a large number of political problems facing mankind within the compass of a single book. In the present volume, the author has carefully selected ten scholarly papers dealing with major crises exercising the thoughts of persons, who feel themselves concerned with the task of saving the human species and this good earth of ours from the ultimate disaster has already started. The book is likely to prove highly interesting not only to political scientists and research scholars but also to general readers.
