

A Handbook of Ancient Western Philosophy

By Prof Godfrey O Ozumba

3rd Logic Option Publishing. Paperback. Condition: New. 140 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. In most World Universities where Ancient Western Philosophy is taught the popular genre is to regurgitate the history of Greek Philosophy from maybe, the pre-philosophical period of the poets Homer and Hesiod and the classical literature that formed the source of early Greek wisdom and from there move on to the dawn of philosophizing blazed by the Milesian Philosophers Thales, Anaximander and Anaximenes through to what is now known as the golden era of Greek philosophy as well as philosophy after Aristotle. This book is therefore written for students of philosophy up to intermediate level as well as for the green-horn researchers from other disciplines. It is comprehensive and simplified. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This sort of pdf is everything and made me searching forward plus more. Better than never, though i am quite late in start reading this one. You may like just how the author compose this book.

-- **Mae Jones**

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
