Reviews

This ebook is great. I am quite late in start reading this one, but better then never. I am just easily will get a satisfaction of reading through a composed pdf.

(Brendan Doyle)

HAMLET: SCREENPLAY, INTRODUCTION AND FILM DIARY

W. W. Norton & Company. Paperback. Condition: New. 208 pages. Dimensions: 9.1in. x 6.4in. x 0.7in. The tie-in book to the latest Shakespearean film by Kenneth Branagh, whose *Henry V* and *Much Ado About Nothing* were huge critical and popular successes. Often credited with creating a popular movie audience for Shakespeare, Kenneth Branagh has wanted for many years to bring to the screen the complete, full-length version of *Hamlet*, Shakespeares greatest play. The film, like the play, will have something for everyone, he says. Its a ghost story, a thriller, an action-packed murder mystery, and a great tragedy that is profoundly moving. With an outstanding cast of international actors--including Derek Jacobi as Claudius, Julie Christie as Gertrude, Kate Winslet as Ophelia, Charlton Heston as the Player King, Robin Williams as Osric, and Gerard Depardieu as Reynaldo--Branaghs version, in which he will play the title role as well as direct, is sure to go down in film history. This beautiful volume includes Branaghs introduction and screenplay adaptation of Shakespeares text, color and black-and-white stills, and a production diary that takes us behind the scenes for a day-to-day look at the shooting of his film. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
