

Age Wave: The Challenges and Opportunities of an Aging North America

By Dychtwald, Ken; Flower, Joe

Los Angeles, California, U.S.A.: J P Tarcher, 1989. Hardcover. Condition: New. Dust Jacket Condition: New. From School Library Journal YA As the trend toward the aging of America continues, books on this topic will be in greater demand. This particular book gives current data on such topics as the rise in the average life expectancy, annual birth rate, and changing behavioral patterns. In addition, considerable space is spent on looking at trends in leisure, life styles, work, personal relationships, family, and the market place. Rather than dwelling on such statistics as frequency of abuse in nursing homes, Dychtwald looks at the changing ratio of grandparents to grandchildren and the increase in college attendance by people over 65. He profiles what may be major changes in retirement living and the design and look of America when we become a nation of elder boomers. Today's students may find particularly relevant the section about the shift in responsibility and focus that they will be required to make when their parents and grandparents turn to them for financial support and care giving. The lack of an index restricts the book's use for research on specific areas, but it does include many names of people...

Reviews

The most effective ebook i possibly read. it was actually writtern quite completely and useful. I am just very happy to tell you that here is the best publication we have read through during my individual daily life and could be he greatest publication for possibly.

-- **Kennith Nicolas**

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
