Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.DIY Hacks for HOUSEHOLD Cleaning and Organizing A clean person is a healthy person and, in the same way, a clean house is a healthy house. It is no secret that it is extremely important to have a clean house, in order to live a healthy and hygienic life . But cleaning up is a task that is easier said than done, as it can get a little cumbersome to clean the house regularly, especially with such busy lives and so little time to spare. We ultimately end up delaying the process, resulting in the building up of lots of dust and dirt. Add to it the high prices that commercial cleaning products have these days, and you really don't feel like cleaning your house anymore. But, what if I told you that there are several easy household cleaning product hacks that you can put to use and garner better results than with commercial ones? Wouldn't it be awesome for you to save some money and spend less time cleaning the house, time that you can spend with family and friends? In this eBook, I will give you several easy household cleaning and organizing hacks and step by step strategies that you can take away to always maintain a neatly organized and almost chemical-free clean home. Some of the things you will learn in this book are: How to create your own cleaning products that perform even better than the chemical ones without the toxic effects in your health and in your wallet The list of the most powerful ingredients to create your own cleaning products with step by step Recipes for specific uses around your house How to remove stains in...
