Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Wicked Not Annihilated: Refutation of Modern Sadduceism A revised edition of this little book, first published six years ago, is now issued at the request of some who judge that it may be useful, as furnishing, in brief space, an antidote to the error which it opposes, and which is propagated in the community with great industry. The limited size of the work precludes, of course, an exhaustive consideration of the subject, which, however, is the less to be regretted since the publication of Rev. Prof. Bartlett's learned and able book, * containing probably the most thorough discussion of it which has appeared. My only hope is that this tract may go where that larger and more expensive work will not be able to reach, and save some from the baleful influence of a faith as humiliating as it is untrue. I. P.
