iUniverse, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this world of mystery and the unknown, the lives and energies of multiple occult groups and individuals inevitably intertwine. The various goals, beliefs, and agendas of these groups and individuals at times come into such tremendous conflict that a war begins. It is in this world of shadows and secrecy that the occult history of the world has unfolded for untold generations. The Occult Art of War is a derivative work based upon the teachings of Sun Tzu in his ancient strategy manual, The Art of War. This text applies Sun Tzu's teachings to the conflicts that arise in the paths of those living in conjunction with the supernatural. This book not only lays out specific methods of strategy, but also provides a code of ethics and mental attitude for responsible application of the strategies. At its core this book is a manual for spiritual conflict and occult warfare.
