THE MYTH OF SECULARISM: WHY THERE S NO SUCH THING AS A NON-RELIGIOUS HUMAN BEING

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sometimes witty, sometimes gritty, Phil Troyer is a prophet for our times. In The Myth of Secularism he exposes the lies that fool you into believing that removing the Ten Commandments from a courtroom removes religion from the government. You will find out how, in the guise of non-religion, the Trojan Horse of Secularism has come rolling through the gates into many areas of our government, media, and education. Not shying away from controversy, this book reveals how the new gay marriage laws represent a change in the religious foundation of our laws. Does it bother you when people scream discrimination over every perceived injustice? Find out how all laws discriminate against someone s beliefs. Do you think that by sending your children to a public school, you are sending them to a non-religious school? Think again! Who or what do you worship? Since everybody worships something, this book will help you examine what s on the innermost throne of your heart. This book shatters the myth that somehow a person s religion can be separated from the laws he writes, the news he broadcasts, the school he goes to, or even the music he listens to. After reading this book you will understand from a Biblical worldview why there s no such thing as a non-religious human being.
