Gypsy Mystery Arts, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Enter a mystical world of fantastic characters, meditative designs and imaginative beauty. Explore the many moods and aspects of the feminine spirit; nurturing, wise, fierce, playful, alluring, vulnerable, powerful, and more. In this volume, Cristina McAllister presents 30 original coloring pages featuring a variety of intriguing and magical characters, decorative designs and meditative mandalas. The intricate artwork, captivating details and lush compositions offer rich opportunities for creative color work. The one-sided art pages are accompanied by descriptions of the artwork, inspiration ideas and coloring suggestions from the artist. The artwork in this book combines many of my favorite things to draw: fantasy art, beautiful women, decorative design, mandalas and Art Nouveau motifs, animal and floral forms, characters and costume design and symbolic elements. I let my imagination run wild, striving to create expressive characters, empowering themes, intriguing details and plenty of opportunity for creative color choices.
