The Textbook of the Constitution: Magna Charta, the Petition of Right (Classic Reprint) (Paperback)

By Edward Shepherd Creasy

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Textbook of the Constitution: Magna Charta, the Petition of Right Whatever may be thought of the execution of this work, I have little fear of the chief portion of it being censured, so far as regards the design. An attempt to arrange in a simple form, and to place before the public, in a few easily accessible pages, the great principles of our Constitution, - to prove their antiquity, to illustrate their development, and to point out their enduring value, - will surely, in times like the present, not be discouraged as blameable; and, in the strange dearth of really useful treatises on this all-important topic, it will hardly be slighted as superfluous. I am aware that I assume a more questionable and difficult function in proceeding to consider what political measures should now be taken, in order that our Constitution may extend its benefits more amply, and more securely for the future. But this branch of the subject is intimately connected with the other; for, the same earnest and long-continued studies which teach the historical inquirer to...

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.
