FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Haydn s Dictionary of Dates: Relating to All Ages and Nations, for Universal Reference IN 1855, when the printing of the Seventh Edition of this Dictionary had begun, and Mr. liaydn s failing health prevented the continuance of his labors, I acceded to the request of the publisher to correct the press and supply the continuations of the articles. In doing so I soon perceived that the execution of the work was far from being equal to the merit of its con ception; and, after much consideration, I was eventually induced to under take its gradual revision and completion, in order to render the book more worthy of its established reputation. During the last ten years the chrono logical tables have been examined and continued; a great number of arti cles have been rewritten, and new ones inserted, and much geographical, biographical, literary, and scientific information supplied, together with a Table of the Populations and Governments of the various countries of the world; and the Index has been greatly augmented by the insertion of dates relating to eminent persons of past and present times. With the present edition is given a Table of Contemporary European Sovereigns since the Norman Conquest. To afford room for these additions, the size of the page and the bulk of the volume have been enlarged, and very many articles have been condensed. My aim has been throughout to make this book not a mere Dictionary of Dates, but a dated Encyclopmdia, a digested summary of every department of human history brought down to the very eve of publication. The latest Additions and Corrections will be found at the. About the Publisher Forgotten Books publishes hundreds of thousands...
