Blueberry Fool (Hardback)

By Thom Rock

Resource Publications (CA), 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Is it possible to find the revelatory, to find faith in a tiny blue berry? This is but one of the questions explored in this collection of engaging essays aimed at the intrinsically human intersection of memory and belief. Threaded throughout with an ever-changing cast of meadowland characters, not the least of which is a rambling barren of wild blueberries, these writings offer an intimate chronicle of one man's quest to understand what it means to believe. Again and again the author's words bring the reader from a particular geographical place to a location at once familiar and foreign, universal and unique: the landscape of memory. Whether grappling with the implications of adoption, or grieving over a lost family recipe; recalling a surprise encounter with an equally surprised red fox, or reconsidering the meaning of migration, Blueberry Fool is about the sheer fragility and strength of belief, the idiosyncratic light of memory, and the simple year-round pleasures of a wild meadow. Endorsements: Thom Rock has crafted an enchanting meditation on some of life's urgent questions: What is memory, really?...
