Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tough in business but romantic at heart, fashion designer Lenny James isn't hiding his masculinity behind his super successful female alter ego, but a vulnerability that only handsome financier Brook Hunter will be man enough to reveal and worship. TWO OF A KIND It's amazing what a little mascara and lipstick, a blonde wig, false boobs, and top-notch female fashion can hide. Not that Lenny James is hiding his masculinity. He uses his normal voice when he's Laverne, and he's not particularly camp as a man. His reasons for creating his alter ego are locked deep in his past. He is who he is: tough in business, and a romantic at heart. What he's hiding is vulnerability. He wants a man to accept both sides of him. Gorgeous, commanding, and dark as sin, Brook Hunter meets Lenny and knows nothing about Laverne until fate pushes her into his path. Cross-dressing is as far from Brook's reality as fashion is from his world of diplomacy and high finance. Understanding and truth take time, and trust doesn't come easy. But Brook is about to show Lenny that there are no sides to true love, just the place where they meet in the middle.
