Canongate Books Ltd. Paperback. Book Condition: new. BRAND NEW, Anthropology: And a Hundred Other Stories (Main), Dan Rhodes, 101 LOVERS. 101 STORIES. Anthropology. I loved an anthropologist. She went to Mongolia to study the gays. At first she kept their culture at arm's length, but eventually she decided that her fieldwork would benefit from assimilation. She worked hard to become as much like them as possible, and gradually she was accepted. After a while she ended our romance by letter. It breaks my heart to think of her herding those yaks in the freezing hills, the peak of her leather cap shielding her eyes from the driving wind, her wrist dangling away, and nothing but a handlebar moustache to keep her top lip warm.
