# GUIDE PRATIQUE EN IMPLANTOLOGIE ORALE & INDICE S.L.I.P.

Condition: New. Publisher/Verlag: Éditions universitaires européennes | En cas d'atrophie osseuse dans les zones antérieures, le placement idéal du col de l'implant en 3D et le positionnement guidé de la future prothèse, se révèle impossible sans le recours à des procédures lourdes de gestion de la crête (greffes apposition). Notre expérience clinique met en évidence des résultats probants concernant " les zones antérieures déficitaires ", sans avoir recours aux augmentations préalables de la crête, grâce au respect de certains paramètres...

## Reviews

---

*This is the finest publication we have read through right up until now. Better than never, though I am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after I finished reading through this book by which basically altered me, affect the way I think.*

-- Dr. Gabriella Hayes

*A brand new e book with an all new point of view. I have got read and I am sure that I am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Ms. Teagan Osinski III

*This created publication is excellent. It generally does not price a lot of. You may like just how the writer create this pdf.*

-- Jo Kuhlman
